DETAILED ACTION

1. The reissue oath/declaration filed with this application is defective because it fails to identify at least one error which is relied upon to support the reissue application. See 37 CFR 1.175(a)(1) and *MPEP* § 1414.

(i) The declaration must ***specifically*** identify an error. Any error in the claims must be identified by reference to the specific claim(s) and the specific claim language wherein lies the error. Applicant argued the errors in his remarks, not the declaration as required (See *MPEP* § 1414(II)(C).);

(ii) Since this is a broadening reissue, a reissue declaration signed by all of the inventors is required. A declaration by the assignee is insufficient (See *MPEP* §§ 1414.01(III) & 1412.03(V).).

2. Claims 1 and 3-10 are rejected as being based upon a defective reissue declaration under 35 U.S.C. 251 as set forth above. See 37 CFR 1.175.

The nature of the defect(s) in the declaration is set forth in the discussion above in this Office action.

3. Claims 11-20 are identical to the original claims, and are allowable for the reasons stated in the original application.
